

## Meeting Programs of ISNVD'2020

May 21 (Thursday)		May 22 (Friday)	
8:00-8:30	Breakfast	7:30-8:00	Breakfast
8:30-8:50	Welcome remarks	8:00-9:00	S7 – Imaging for neurovascular disease
8:50-9:20	Plenary Keynote Lecture	9:00-10:00	S8 – Diabetes, stroke, TBI & dementia
9:20-9:40	S1 – Vascular anatomy	10:00-10:10	Panel Discussion of S7-8
9:40-10:20	S2 – Vascular physiology in healthy aging	10:10-10:20	Coffee break
10:20-10:30	Panel Discussion of S1-2	10:20-11:50	S9 – Invited platform presentations
10:30-10:40	Coffee break	12-1:00pm	Lunch break & Poster session -2
10:40-12:10	S3 – Invited platform presentations	1:00-2:00pm	S10 – CSF dynamics and glymphatic system
12:10-1:30pm	Lunch break & Poster session -1	2:00-3:00pm	S11 – Therapeutic approaches and strategies on improving vascular health
1:30-2:30pm	S4 – Vascular contribution to cognitive impairment & dementia (VCID)	3:00-3:10pm	Panel Discussion of S10-S11
2:30-3:30pm	S5 – Sleep, exercise and heart-brain	3:10-3:20pm	Coffee break
3:30-3:40pm	Panel Discussion of S4-5	3:20-4:50pm	S12 – Scientific abstract presentations
3:40-3:50pm	Coffee break	4:50-5:20pm	Keynote Lecture (closing)
3:50-5:20pm	S6 – Scientific abstract presentations	5:20-6:20pm	S13 – YIA award presentations
5:30-9:00pm	Dinner and opening reception	6:20-9:00pm	Award & closing ceremony (with dinner)

### Note:

- S1. Vascular anatomy of the brain: macro to microvasculature, structure to function
- S2. Vascular & neuronal physiology in healthy aging
- S3. Platform Presentations for invited presentations
- S4. Vascular contributions to cognitive impairment and dementia (VCID)
- S5. Sleep, exercise and heart-brain axis in aging and dementia
- S6. Scientific abstract oral presentations
- S7. Advanced neurovascular imaging techniques in aging and dementia
- S8. Diabetes, stroke and traumatic brain injury (TBI) and dementia
- S9. Platform Presentations for invited presentations
- S10. Cerebral/spinal fluid (CSF) dynamics, glymphatic and venous drainage system
- S11. Therapeutic approaches and strategies on vascular health & neurodegeneration
- S12. Scientific abstract oral presentations
- S13. YIA award presentations
